

INTERNATIONAL DUAL
CAREER NETWORK

Facilitating Professional Integration For Mobile Employee Partners

Join IDCN to integrate quicker

- IDCN provides a platform for professional networking and information sharing
- A variety of events brings local corporate representatives and IDCN partner members together
- Our corporate members host many insightful events, presentations and workshops on the local employment market and professional networking

Open doors to the local market as a volunteer

- IDCN provides a great opportunity to volunteer and to be professionally active while learning about the local job market
- Many of your IDCN peers volunteer to network and to integrate even quicker
- Professional integration is our goal and you are the key player
